

District CIL Funding 2022-23

1. Bids received in 2022

- 1.1 The April/May 2022 bid window saw 5 bids submitted for consideration by the CIL Spending Working Group (CSWG).
- 1.2 Two of these bids, for new Early Years provision, had been successful in receiving District CIL Funding in the 2021 bid round, but have returned due to significant increases in costs and a failure to get additional funding through Neighbourhood CIL or other funding sources.
- 1.3 Bid 2-2022 which related to the provision of a new early years setting located on the school site at Melton Primary School was not considered to be a valid bid and has subsequently been considered as an "expression of interest" with a view to the project being re-worked and a new bid being submitted in a future bid round.

| Bid | Project name | Funding |
|-----------|--|--------------|
| Reference | | request £ |
| 1-2022 | Lowestoft Waste Transfer Station and Recycling Centre | 751,642.00 |
| | Improvements | |
| 2-2022 | Melton Primary School - Early Years Provision | 155,384.00 |
| 3-2022 | Leiston FC and Sports Association - 3G Pitch with Lighting | 276,018.18 |
| 4-2022 | Holton St Peter Primary School - new Early Years provision (2) | 615,000.00 |
| 5-2022 | Dennington – New bespoke Early Years Playschool Setting (2) | 268,214.71 |
| | | 2,066,258.89 |

2. Consideration of the bids by the CSWG

2.1 **Bids 1, 3 4 and 5 are recommended for approval by the CSWG**. These bids are recommended on an "in principle" basis, each with conditions applied to ensure a smooth transition to the delivery stage and completion stage and to provide East Suffolk Council with a full audit trail to support each step of the finding process. Most

- of the projects are required to meet milestones in order to achieve the next tranche of funding.
- 2.2 In total, the 2022 bid round would result in the allocation of over £1.9m in District CIL to fund infrastructure projects that will support the new homes being delivered in East Suffolk, if Cabinet approve the recommendations made by the CSWG.
- 2.3 Detailed information on each of the bids received, the benefits of the project and how they relate to corporate objectives and the Local Plans, together with the recommendations put to Cabinet by CSW, is provided as Appendix A of this document.

3. Extension of spending deadline – Jetty Lane project, Woodbridge

- 3.1 The Jetty Lane Trustees have become a Charitable Incorporated Organisation (CIO) which provides for increased regulation and requirement for transparency. This also brings the benefit of tax savings so the Jetty Lane CIO can ensure the funds received are going direct to the project and to appeal to different funding bodies to raise the finances needed to build the community centre.
- 3.2 East Suffolk Council awarded District CIL funding of £188,800 in June 2019 which was paid to the project in August 2019. The funding was to support the delivery of the first part of the project, to assist with funding the initial building planning and design stage, and to obtain planning permission. The deadline for spending the funds was June 2024.
- 3.3 A 3D model of the building was produced and variation to plans was submitted to make changes to heat sources and natural ventilation and to incorporate new building regulations into the plans and to ensure the building is future proof.
- 3.4 The Jetty Lane CIO are currently fundraising in order to raise sufficient funds to progress the delivery of a replacement Youth Centre and community hub, as planned. However, Covid 19 has played a significant part, both in the delays to fundraising and the delivery side of the project, through increasing costs, reducing access to funding and changing the needs of the community.
- 3.5 The Jetty Lane site has continued to be in active use over the past two years, with the 2 new cabins on the site that are in constant use for the community. The Cabins were donated by a local businessman.
- 3.6 The Jetty Lane charity intend to apply for a new planning permission in September 2022 in order to change the layout and design of the proposed buildings to be more appropriate for both current and future needs.
- 3.7 Progress of the project can be followed via the Jetty Lane webpages.

Learn more about the Jetty Lane Project — Jetty Lane

- 3.8 The Jetty Lane CIO as seeking an extension to the deadline for using the District CIL funding. This would be a two-year extension of the current deadline to take it to June 2026.
- 3.9 Since this was a CIL project that was approved before the CIL Spending Strategy was developed, and the funding is already subject to a legal agreement between East Suffolk Council and the Jetty Lane CIO, then an extension can be recommended for approval by Cabinet without the need for a whole new bid application to be submitted under the current CIL Spending Strategy.
- 3.10 CSWG have reviewed this extension of time request and are recommending that Cabinet agree to the extension to the spending deadline to June 2025, subject to the revised planning permission being sought by 1 April 2023.

Appendix A - Summary of District CIL Bids Received 2022

| Ref | Location/ Project | Lead Party | Benefits of the Project | Project Cost | DCIL requested | Other funding | Notes/Key Points | Recommendation |
|--------|---|---------------------------------------|--|------------------------------|-------------------|---------------|---|----------------------|
| 1-2022 | Lowestoft Waste Transfer Station (WTS) and Recycling Centre (RC) Improvements | Suffolk County Council Waste | The current Lowestoft WTS and RC serves a large area of the East Suffolk population and is in need of re-development in order to meet future demand. In 2021 SCC determined that the current facility in Lowestoft, which is a joint WTS and RC, was not adequate to manage the future demands of increasing waste deposited there over the next 10-20 years. A programme of works was identified that would render it fit for purpose for that period. The Lowestoft WTS is the only one open to East Suffolk DC to deposit all the waste collected from residents in the north of their area. If the works are not completed to bring the site up to fire remediation standard a new site will need to be provided at substantially greater cost. It is very likely that the government's new Resources and Waste Management Strategy (RaWS), will require district and borough councils to commence weekly food waste collections from residents within the next three years.) | £ 2,993,401.93 (estimate) | £ 751,642.00 | £2,241,759.93 | VALID BID – subject to finalised costs and planning permission 25% DCIL requested (across cost of both Phases) Phase 2 of 2 Project (Phase 1 delivered and funded by SCC) This project is detailed in the Local Plan and in the IFS as a planned short term 'Essential' project to support housing growth. The amount of developer contributions expected as funding towards the project is £1,000,000. The project is detailed on page 28 of the 2020-21 Infrastructure Funding Statement, which is a new statutory document that details East Suffolk's intentions for spending CIL and s106 and the timing and nature (Critical/Essential/Desirable) | Approve in Principle |

| | | | | | | | approach to this project. Therefore, project is to be considered as an expression of interest. A meeting has been held with headteacher on site. | |
| 3-2022 | Leiston FC and Sports Association - 3G Pitch with Lighting | Leiston Football Club | The existing facilities at Leiston Football Club are limited, and the bigger scheme project seeks to boost use and users, and in the future use this to support improvement of ancillary facilities such as catering provision and car parking/access. This Phase of the proposal subject of the bid seeks to replace an existing turf pitch with an all-weather 3G surface, along with two additional lighting towers. The additional facilities will provide; Resurfacing one pitch from turf to all weather 3G surface. Two further lighting towers to allow for longer use during winter months. This would allow increased use of the facility for various users | £636,540.04 (estimate) | £276,018.18 | £360,521.86 | VALID BID – subject to planning permission, amount allocation reflects community use availability, 3-5-year delivery time limit and community user agreement 43% DCIL requested The project is not listed in the IFS or Local Plans as identified as a project required to support growth. The proposal does meet the requirements of 'Beneficial' in line with the Spending Strategy and should therefore be assessed on its merits. Key Points: The project directly relates to the Strategic Plan Enabling Communities objective | Approve in principle |

| | | | | | - | | this has now | |
| | | | | | | | commenced with adding | |
| | | | | | | | services to the site. | |
| | | | | | | | • The Badingham | |
| | | | | | | | Playschool Group has | |
| | | | | | | | charitable status and has | |
| | | | | | | | been proactive in raising | |
| | | | | | | | funds towards the | |
| | | | | | | | project from several | |
| | | | | | | | different sources and | |
| | | | | | | | have to date raised just | |
| | | | | | | | over £22k in confirmed | |
| | | | | | | | contributions, excluding | |
| | | | | | | | 2021 DCIL. | |
| | | | | | | | • The unsuccessful bid for | |
| | | | | | | | a Neighbourhood CIL | |
| | | | | | | | (NCIL) Allocation from | |
| | | | | | | | Framlingham (25% of | |
| | | | | | | | original project cost after | |
| | | | | | | | deduction of the | |
| | | | | | | | confirmed the | |
| | | | | | | | funding/grants) which | |
| | | | | | | | has left a funding gap | |
| | | | | | | | which could jeopardise | |
| | | | | | | | delivery. | |
| | | | | | | | Badingham Parish | |
| | | | | | | | Council have also | |
| | | | | | | | decided not to allocate | |
| | | | | | | | NCIL to this project and | |

| Ref | Location/ | Lead Party | Benefits of the Project | Project Cost | DCIL | Other funding | Notes/Key Points | Recommendation |
|--------|-----------|------------|-------------------------|---------------|---------------|----------------|--|----------------|
| | Project | | | | requested | | | |
| | | | | | | | Dennington only have | |
| | | | | | | | £380 NCIL currently. | |
| | | | | | | | The VAT position has | |
| | | | | | | | been confirmed as non- | |
| | | | | | | | reclaimable by Financial | |
| | | | | | | | Advisors – This has been | |
| | | | | | | | accepted by CSWG as | |
| | | | | | | | sufficient confirmation | |
| | | | | | | | to meet this funding | |
| | | | | | | | conditions. | |
| | | | | | | | The project delivery | |
| | | | | | | | stage has commenced | |
| | | | | | | | following the grant of | |
| | | | | | | | planning permission. | |
| | | | | | | | | |
| TOTALS | | | | £6,484,476.40 | £2,066,258.89 | £4,418,457.51* | * Includes £1,793,492 of | |
| | | | | | | | 2021 DCIL awards | |
