

**NORTH PLANNING COMMITTEE - UPDATE SHEET****9 APRIL 2024****Item 6 - DC/24/0178/FUL - Proposed sunroom with retention of partly built structure at 12 Aldringham Park, Aldringham, IP16 4QZ.**

The paragraph below is a clarification of paragraph 3.3 of the published report as it includes additional information regarding the measurements of the proposed sunroom. The paragraph below should be substituted for paragraph 3.3 of the published report.

The proposal is to complete this extension, which will accommodate a sunroom. The proposed extension is to measure 5.9m in length along the south-western elevation, and approximately 4.35m in width, therefore the existing north-eastern facing wall would extend approximately 1.685m beyond that of the opposing wall of the proposed sunroom. The proposed extension is to have a lean-to flat roof, with a total height of approximately 2.95m at the north-eastern facing elevation decreasing to approximately 2.68m at the south-western facing elevation. It is to have an eaves height of 2.69m at the north-eastern facing elevation, decreasing to 2.385m at the south-western facing elevation.
