- 1.4 The decision of the Sub-Committee meeting held on 26 February 2020 is attached as **Appendix B**.
- 1.5 The application has been forwarded to the relevant Responsible Authorities, as prescribed by the Licensing Act 2003 and advertised, as required by legislation, for a period ending 9 March 2020.

- 2.1 At the time of this report being submitted for publication there had been no further representations from the premises licence holder or the applicant.

3. ADDITIONAL REPRESENTATIONS

4. POINTS FOR CONSIDERATION

- 4.1 In exercising its licensing functions, the Licensing Authority has stated in its Licensing Policy that it will primarily focus on the direct impact of the licensable activities taking place at the licensed premises on members of the public living, working or engaged in normal activity in the vicinity of the premises. The Licensing Authority wishes to safeguard the amenity of residents and other businesses from the potential adverse consequence of the operation of licensed premises whilst recognising the valuable contribution that such premises make to the local economy as well as their social and cultural significance.
- 4.2 The attention of the Sub-Committee is drawn to the following:
 - a) The Licensing Act 2003 Section 4 requires the Sub-Committee to have regard to:
 - Guidance Issued under Section 182 of the Licensing Act 2003.
 - The Council's Statement of Licensing Policy

If the Sub-Committee has reason to depart from the above it is asked to give full reasons for so doing.

b) Human Rights Act 1998

- The Human Rights Act 1998 came into force on the 2 October 2000. The Sub-Committee is urged to have careful regard of its provisions.
- It is unlawful for a public authority (this expression includes local authorities) to act in a way which is incompatible with a human right.

4.3 As far as the applicant's right to a fair hearing is concerned (Article 6), the applicant has a right to be heard by the Licensing Sub-Committee. If this application is refused or granted subject to modification, the applicant has a right of appeal to the Magistrates' Court.

4.4 In assessing the impact of human rights, the Sub-Committee must seek to strike a balance between the right of the proprietors in the business to conduct it as they wish and local residents who may find its activities intrusive. In this context a business is a "possession" and the human right is expressed to be for the "peaceful enjoyment" of it. A rider to this human right empowers the Council to control the enjoyment of that business by its proprietors in the general interest. At the same time, local residents are entitled to the peaceful enjoyment of their homes.

4.5 The relevant notices about this hearing have been served on the applicant and interested parties and they have until 19 March 2020 to confirm that they intend to attend, or not, as the case may be and give notice that they wish to call witnesses.

5. RECOMMENDATION

5.1 The Sub-Committee will be asked to determine this application and has the option to:

a) Modify the conditions of the licence

This could include either imposing further conditions on the licence or changing (for example, further restricting) the hours of certain licensable activities, where this is proportionate and relevant to the licensing objectives;

For this purpose, the conditions of the licence are modified if any of them are altered or omitted, or any new condition is added.

b) Exclude a licensable activity from the scope of the licence

The Sub-Committee may decide that it is proportionate and relevant to the licensing objectives to exclude licensable activities

c) Remove the Designated Premises Supervisor

d) Suspend the licence for a period not exceeding three months

e) Revoke the licence

5.2 Depending on the decision of the Sub-Committee, the licence holder and the applicant have rights of appeal to the Magistrates Court.

5.3 When announcing its decision, the Sub-Committee is asked to state its reasons.
