## **Hour Community £15,000 to part fund a new Wheelchair Accessible Vehicle**

- The vehicle has been used at least 4 times a week since arrival and is incredibly popular with beneficiaries and drivers.
- 'Obviously one of the other big benefits is that being new, Hour Community do not have to start worrying about replacing it in the near future'.
- 'Without the support of ESC's Community Partnership, we would never have been able to afford a new vehicle so we are incredibly grateful'

**FAYAP Youth  
Provision  
£5,050**

- FAYAP was one of the youth groups identified as a priority for increased provision in the Youth Consultation which took place in September 2020
- Projects funded include:
- iRock Programme: Some amazing podcasts and films have been made by the young people, available on: [www.fayap.co.uk](http://www.fayap.co.uk)
- Amplifier Project: 4 bands writing original material. One is playing at the Thomas Mills Prom. Concert for all 4 bands planned for the future. Numbers have increased to an average of 15 young people per week.
- Friday Night Youth Club: Great opportunity to link with young people who want to use the new Lgbt+ group as well as all the traditional benefits of a Friday night youth club. Numbers attending have increased by nearly 100%!!!!

Community  
Partnership  
Achievements  
2019-21:

**Fayap Outreach  
Programme  
£3,840**

- The funding allowed us to operate outreach work at The Pageant Field for more sessions. **5 sessions a week now take place at Pageant Field.**
- LGBTQ+ issues are coming to the fore and through our outreach we have met many young people for whom this is important and we are starting a support group for them in partnership with the High School.
- The extra outreach sessions have been very valuable in helping to tackle ASB and liaising with all the authorities and organisations involved.

Community  
Partnership  
Achievements  
2019-21:

**Student Life  
Youth  
Consultation  
£1,000**

- Student Life have engaged with both Thomas Mills and Framlingham College
- 15 Thomas Mills Students will lead the survey in the school, offering valuable peer-developed and peer-led consultation
- The consultation has been delayed due to school commitments post-Covid lockdown and will take place in July 2021.
- The consultation will feed into the Young People Task and Finish Group and will hopefully help to shape project need and funding for 2021-2023
