

Equality Impact Assessment Screening Opinion

East Suffolk Community Infrastructure Levy
(CIL) Draft Charging Schedule

October 2021

Introduction

1. It is the Council's duty under the Equality Act 2010 to undertake an Equality Impact Analysis at the time of formulating a decision, drafting a report, designing or amending a policy. This will ensure that the Council is considering and taking positive action where possible to promote access to services for all their communities, including their wider communities. The Equality Impact Assessment Screening Assessment will assess whether there is any impact upon any of the groups with protected characteristics under the Equalities Act, which are listed in the table below. If an adverse impact upon any of these groups is identified, then a full Equalities Impact Assessment will be required.
2. The East Suffolk Community Infrastructure Levy Draft Charging Schedule (CIL Charging Schedule) is a charge on development that pays for the cost of infrastructure to support development throughout the District. There are different rates of CIL charge for different types of development. The CIL is a Council programme and so has the potential to impact upon groups that are protected under the Equality Act. Therefore, an Equalities Impact Assessment Screening Opinion is needed. This will enable the Council to ascertain whether there are any negative impacts upon these groups, in which case a full Equality Impact Assessment will be needed.
3. There are currently two separate CIL Charging Schedule operating in East Suffolk, firstly in the former Waveney District Council area (which was adopted in 2013) and secondly, in the former Suffolk Coastal District Council area (which was adopted in 2015). A CIL Charging Schedule sets out the levy costs which are required to be made by developers to support the delivery of infrastructure in a specified area, which can be varied by development type and size. It has now been decided to prepare a single CIL Charging Schedule for East Suffolk.
4. Viability work has been undertaken to ensure that the East Suffolk Community Infrastructure Levy charging schedule will not impact upon development viability. It also ensures that development will continue to be able to meet policy requirements detailed in the Suffolk Coastal Local Plan and Waveney Local Plan in terms of the delivery of housing for those of different age groups, as well as those with a health problem or disability. The CIL charging schedule also covers issues such as housing size and different types of tenure.
5. The adopted Waveney (2019) and Suffolk Coastal (2020) Local Plan set out various housing and other development allocations and requirements, including for (amongst others) i) affordable housing requirements and ii) specialist housing requirements (such as retirement accommodation and care homes). Equalities Impact Assessments were prepared to

accompany both Local Plan documents. Key Local Plan elements such as affordable housing amounts cannot be re-considered during the CIL Charging Schedule preparation process.

6. The Equality Act 2010 lists nine protected characteristics: age; disability; gender reassignment; marriage and civil partnership; pregnancy and maternity; race; religion or belief; sex; sexual orientation. East Suffolk Council has added a tenth characteristic, socio-economic deprivation, in addition to the nine protected characteristics listed in the legislation. This reflects that pockets of deprivation that exist across East Suffolk.
