

Appendix A: Table and Graphs showing the performance of East Suffolk Council each quarter from 1 October 2021 to 30 June 2023, and predicted levels for the 2 year monitoring period (i.e. up to 30 September 2023).

Note: - The figures for the current quarter show in the Table and Graphs below are incomplete as this appendix has had to be produced prior to the end of the quarter. The figures for this quarter are for the period 1 July 2023 to 14 September 2023, and along with the actual figures for the previous quarters, enable a reasonably accurate prediction of the average percentage of 'Majors' and 'Non-Majors' determined in time.

Figure 1: Table showing the performance of East Suffolk Council during each quarter from 1 October 2021 to 14 September 2023, and predicted levels for the two year period.
