Hi Teresa

I've reviewed the draft Statement of Licensing Policy. All looks fine to me. I just have a query in regard to Section 18.4 and TENs where objection is raised by Police or Env. Health. It states that the hearing would be confined to consideration of the 'Crime and Disorder' licensing objective only.

Could you just remind me, if EP raise an objection to a TEN, can it only be on the grounds of Crime & Disorder, not Prevention of Public Nuisance?

Thanks

Dan

Hello Teresa

Thank you for the opportunity to comment on the draft. I have two suggestions:

P5. 1.5 to b) reduce alcohol misuse 'by individuals and reduce public harms from excessive alcohol consumption which can lead to short and long term injury or harm.'

P9 5.1 additional bullet point 'an increase in opportunities for excessive alcohol consumption by individuals leading to an increased risk of ill health or harm in themselves or to others'

Kind regards

Molly
