East Suffolk Community Partnerships Board - Transport and Travel Task Group

East Suffolk Travel and Transport Improvement Programme

27 June 2023

East Suffolk Priorities

- Access to transport remains a priority to tackle the Boards priorities:
 - Isolation and loneliness
 - Mental Health and Wellbeing
 - Inequalities
- How can we create sustainable outcomes against these priorities?
- “Sustainability” doesn’t need to be defined by finances alone.

Goal: Reduce social isolation by increasing Demand Responsive Transport to key destinations in East Suffolk

“The Lowestoft Buzzabout”

Trial launched: July 2022

For people living in Lowestoft and the northern parishes including Somerleyton, Lound, Blundeston, St Olaves and Gunton.

Learning: Buzzabout

- The Buzzabout service was established in response to community feedback
- Question: Would an additional transport service in your area be of use to you?

Location	Survey (% Yes)	% of total passengers
Somerleyton	72% (25 responses)	0%
Gunton	87.5% (8 responses)	42%

- We are looking at different operating days and ways to market the service.
