

Item: 6

Extension of Pakefield Holiday Park to provide for the following development on land to the west of the park:

1. A new and improved access and main site entrance off the A12
2. New entrance buildings and clubhouse facility
3. The siting of additional static holiday caravans, involving the rollback of existing static caravans away from the coast
4. Environmental improvements and landscaping throughout

Pakefield Caravan Park, Arbor Lane, Lowestoft, Suffolk, NR33 7BE

Site Location Plan

Northern Site (previously known as "The Bushes Site")

Existing Access

Existing Clubhouse

Southern site element (formerly known as "Cresta" and "Clifftop" sites)

Proposed Expansion site

Indicative Units Mix:
- 69 static caravans
- 17 lodges

Proposed Elevations of Club House

proposed east elevation

proposed west elevation

1. Timber-effect cladding.
 - 1a. NeoTimber 'Deluxe' Composite Cladding installed with boards horizontally. Embossed woodgrain-effect texture. Colour: Antique or Teak.
 - 1b. NeoTimber 'Slatted' Composite installed with boards vertically. Colour: Grey.
2. Plastisol-coated insulated metal wall cassettes: TATA 'Trimapanel', Kingspan 'Quadcore Wall Panels' or equal and approved. Panels installed vertically. Nominal 1m panel width.
 - 2a. Colour: Midnight Blue.
 - 2b. Colour: Wedgewood Blue.
3. Through-coloured silicone render.
 - 3a. Colour: Off-White.
 - 3b. Colour: RAL 5020 [Ocean Blue].
4. Plinth and low-level brickwork to be blue or grey engineering-type brick.
5. Pantiled roof. Clay or concrete tiles in colour: Red Multi.
6. Plastisol-coated insulated trapezoidal roof cassettes: Kingspan 'KS1000 QuadCore', TATA or equal and approved. Nominal 1m panel width. Colour: Light Grey.
7. Polyester-powder coated [marine-grade] metal-framed, double-glazed external doors and windows. Colour: Anthracite Grey.
8. Solar photovoltaic array. Inset where used on tiled roofs and surface-mounted where used on metal cassettes roofs.
9. Powder-coated grilles for pool house and kitchen ventilation plant. Colour to match door frames.
10. Horizontal timber boarded fence to service area. Natural or light grey finish [Sioo or equal].

Material Planning Considerations and Key Issues

- Policy and Legislative Background
 - Principle of Development
 - Holiday Occupation and Restrictions
 - Landscape and Visual Impact
 - Highways and Transport
 - Economic Considerations
 - Amenity Impacts
 - Ecology and Biodiversity
 - Coastal Change Management and Re-location of Development Affected by Coastal Erosion
 - Sustainability
 - Heritage Assets
 - Other Matters
- 

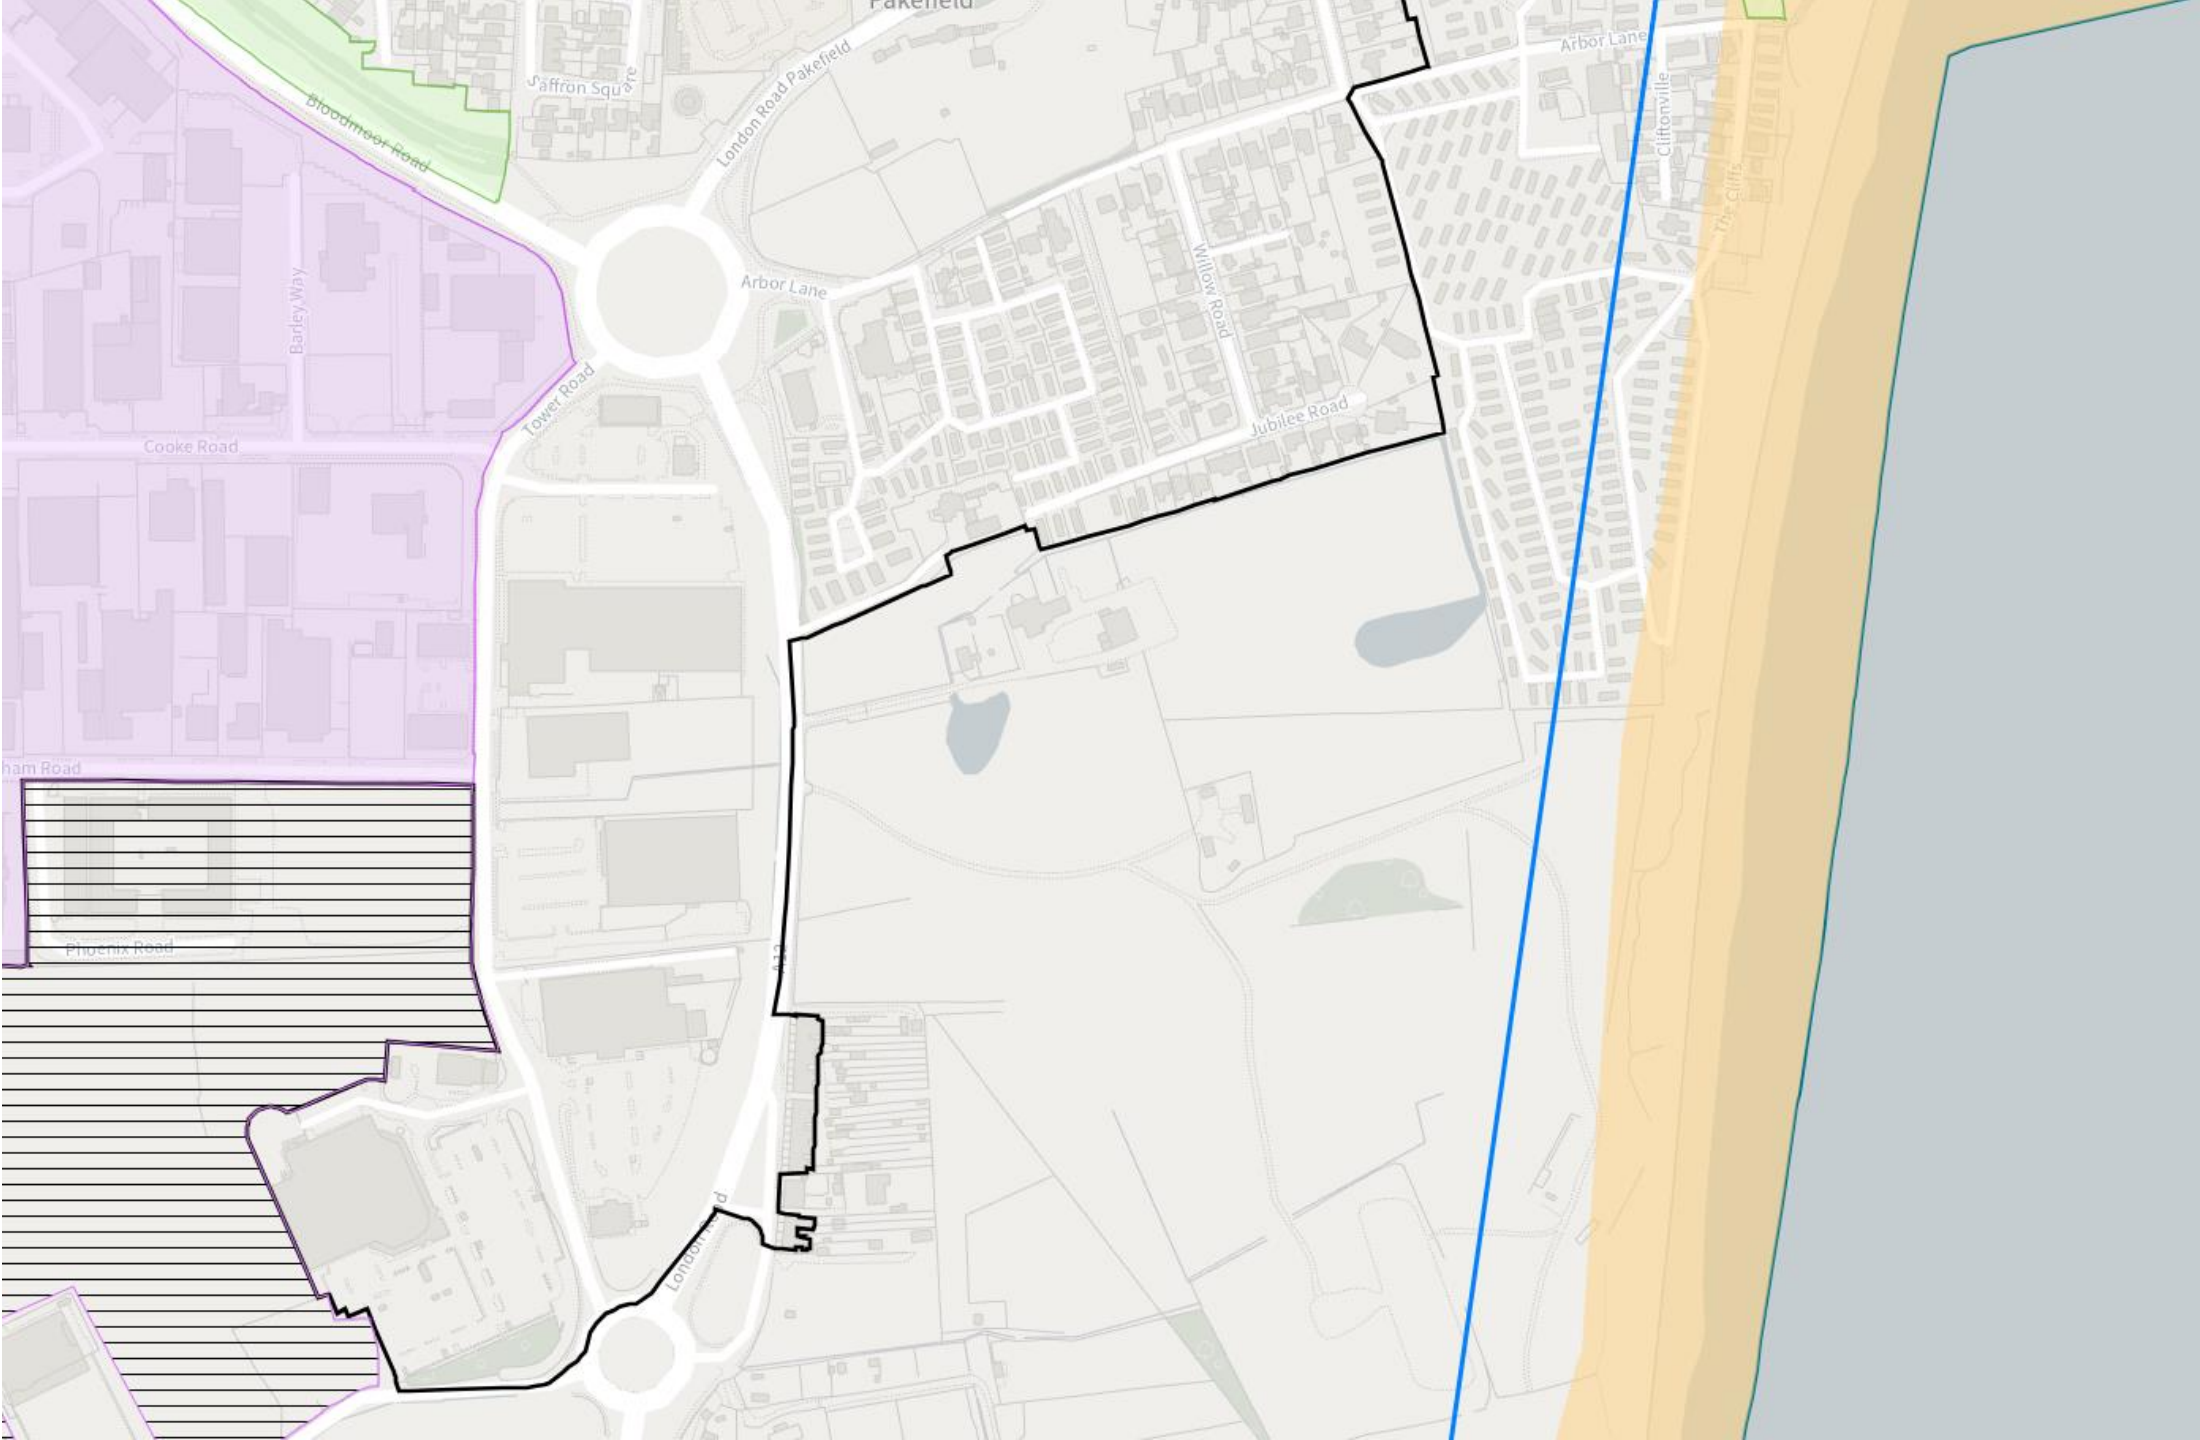

Recommendation

Recommended for approval subject to conditions as outlined within the report – summarised below:

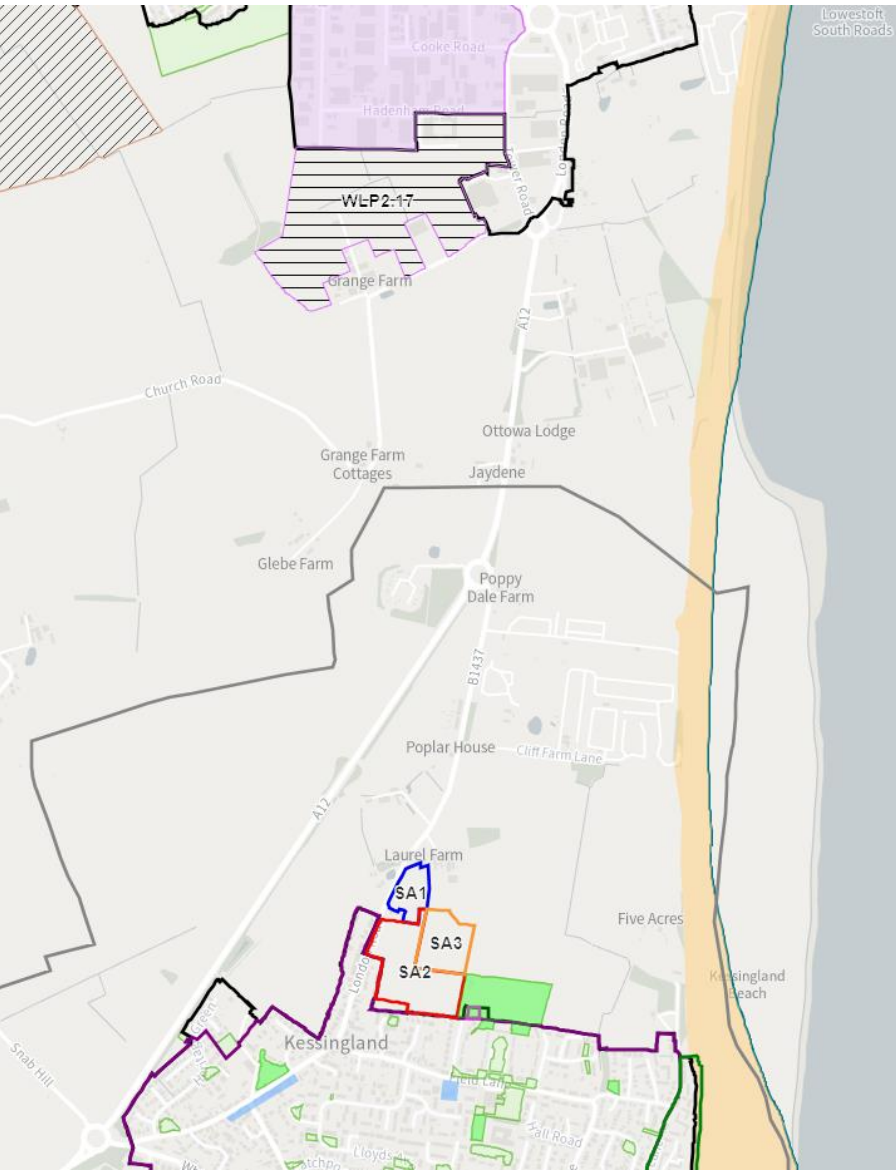

1. Time limit
2. Plans
3. Materials
4. Ecology Measures
5. Great Crested Newt License
6. Bird Nesting Season
7. Construction Environmental Management Plan
8. Lighting Strategy for Biodiversity
9. Odour Assessment
10. Noise mitigation
11. Clubhouse Hours
12. Hours for music
13. Contamination Report
14. Remediation Method Statement
15. RMS Implementation
16. Contamination Validation Report
17. Unexpected contamination
18. Strategy for the Disposal of Surface Water
19. Implementation, Maintenance and Management of the Strategy
20. Surface Water Drainage Verification Report
21. Construction Surface Water Management Plan
22. Written Scheme of Investigation
23. WSI completion
24. Implementation of a programme of historic building
25. New access
26. Construction Management Plan
27. Surface Water Drainage Strategy
28. Parking provision
29. Visibility Splays – Vehicle
30. Visibility Splays – Pedestrian
31. Offsite Highways Improvement
32. Holiday Occupation Only
33. Limit on Caravan Numbers
34. Landscaping
35. Tree and Hedge Protection
36. Colour Scheme/Pallet
37. EV Charging Details
38. Existing Access Restrictions
39. Bat Survey

Additional conditions :

40. Details on access links between existing and proposed sites
41. Retaining the existing and proposed sites as one
42. Maintaining the walking route
