- 1.2. These same admission criteria should be used for any film presented to a Local Authority for classification.

**2. APPLICATION**

- 2.1. The Licensing Team has received a request to arrange for the classification of a film to enable it to be screened at Aldeburgh Cinema in November 2023. The film is called Saxon Boy. The request is attached at **Appendix A**. Additional information including a synopsis for the film, has been provided to Members prior to them viewing the film.
- 2.2. The film has not been shown to the public before within the East Suffolk district and it is therefore necessary for this Authority to give it a suitable classification.

**3. THE FILMS**

- 3.1 The film title, and information about it, have been made available to the panel of Members prior to the viewing.

**4. CONCLUSION**

- 4.1 Having viewed the film, the Sub-Committee is asked to determine the appropriate admission criteria.
