Dear Leonie

Thank you for your email. I confirm that we would also like the New Year's Eve (Sunday) times to be extended until midnight for both recorded music and opening hours, and thank you for pointing this out.

Kind regards

Maggie Lin

Subject: variation of premises licence for Queens Head, Saxmundham

Good afternoon Ms Lin

We have received the fee for the variation and therefore I can accept the application today.

However, I did just notice that although the times for New Years Eve(Sunday) are extended for alcohol sales this has not been done for recorded music and or opening hours.

If you could just respond to this email to confirm that you would also like the New Years Eve(Sunday) times to be extended until midnight for both recorded music as well as opening hours, I can amend the application for you.

Also Annex 2 will still apply however, the current conditions will be removed and replaced with the new ones you have suggested.

Regards

Leonie
