Outcome Proposal Forms were invited for projects which would help achieve the objectives of the Community Partnership (CP) Area:

- **Developing Opportunities for Young People**
- **Reduced Social Isolation and Loneliness**
- **Alternative, Active and Sustainable Transport**

Proposals approved as of 4th March 2021:

- £15,000 for Hour Community new Wheelchair Accessible Vehicle (WAV) for Framlingham and abutting villages - approved and paid
- £3,000 for Katch/Electric taxibus service - approved and paid
- Chat Bench in Great Glemham £800 – approved and paid
- FAYAP - £5,050 for increased provision – approved and paid
- FAYAP £3,840 for Outreach Work in Framlingham - approved
- Student Life Young People Consultation in Thomas Mills £1,000 – approved
- Small Grant Scheme to offer grants between £250 and £1000 to projects contributing towards key CP Objectives - approved

Grant funding totalling £35,000 has been allocated during the period up to 4 March 2021. This includes a carry-over of £10,000 from the year 2019/20 along with annual funding allocation of £25,000 for the year 2020/21.

The funding has been allocated to Community Based projects, which will build on assets within the communities, and following a prolonged consultation and Task and Finish Group Programme.

We are currently engaging interest from Parish Councils and Community Groups across the Community Partnership Area to ensure broad geographical and demographic coverage of the CP Objectives.
