Purpose and high-level overview

Purpose of Report:

The Scrutiny Committee is asked to consider its Appointments to Outside Bodies (scrutiny functions) for the 2021/22 Municipal Year, as outlined at Appendix A of this report.

Options:

The Council needs and wishes to engage and work with external organisations, including the Outside Bodies listed in Appendix A, to continue to deliver the priorities identified in the East Suffolk Strategic Plan.

Recommendations:

1. That Councillors be appointed to those Outside Bodies listed in Appendix A for the 2021/22 Municipal Year.
2. That designated substitutes also be appointed to attend the Outside Bodies listed at Appendix A for the 2021/22 Municipal Year in the event the primary appointee is unavailable.
3. That the Leader of the Council be authorised to fill any outstanding vacancies left unfilled by the Scrutiny Committee.
4. That the Leader be granted delegated authority to make any necessary changes to the membership of the Outside Bodies for the remainder of the 2021/22 Municipal Year, in consultation with the other Group Leaders.

Corporate Impact Assessment

Governance:

Appointments to Outside Bodies may be made under the general power in Section 2 of the Local Government Act 2000 – to do anything which is likely to promote the economic, social, or environmental wellbeing of the area, unless specifically prohibited.

The process of the Scrutiny Committee collectively approving appointments to Outside Bodies, where the role relates to a scrutiny function of the Council, in accordance with the requirements of the Council's Constitution, was delegated to the Committee by the Leader at the meeting of Full Council held on 22 May 2019

Details of the representation on Outside Bodies are included on the Council's website.

Members appointed to Outside Bodies will be asked to present a short, written report to Full Council, at least once per year, on the work of the Outside Body.

How does this proposal support the priorities selected?			
Councillors appointed to Outside Bodies work to help address local issues and to achieve sustainable solutions. This will help to both deliver a strong and sustainable local economy and to improve the quality of life for everyone living and working in the District.			

Background and Justification for Recommendation

1 Background facts	
1.1	The Scrutiny Committee collectively appoints annually to two Outside Bodies where the role relates specifically to a scrutiny function of the local authority. It was agreed by Full Council at its meeting on 22 May 2019 that these appointments would be delegated to the Scrutiny Committee.
1.2	Some appointments to Outside Bodies are made because of a statutory requirement to appoint one or more members to them. Most appointments to Outside Bodies are discretionary taking into consideration how representation on them adds value.
1.3	Appointment of members to Outside Bodies provides support to the organisation concerned and enables members to fulfil their community leadership roles and, in the case of scrutiny-specific bodies, their role as a member of the Scrutiny Committee.
1.4	Members appointed to Outside Bodies can work with and alongside these so helping to empower them in terms of addressing local issues and delivering sustainable solutions.

2 Current position	
2.1	Members were last appointed to Outside Bodies (scrutiny functions) 2020/21 by the Scrutiny Committee at its meeting in September 2020.

3 How to address current situation	
3.1	<p>Outside Bodies can gain several benefits from having a representative of the Council on them, these include:</p> <ul style="list-style-type: none"> • To represent the interests of the Council and to promote the strategic aims of its Strategic Plan; • To provide knowledge, skills and expertise which may not otherwise be available; • To provide local accountability or democratic legitimacy through the appointment of an elected representative; • To ensure that good relationships can be maintained with the body; • To deliver a partnership project that requires the input of other organisations or community groups; • To protect the Council’s investments or assets i.e., if the Council has provided grant funding or provides funding for service delivery; • To lever in external funding which is not available to the Council on its own.
3.2	Taking account of all information provided within the report, the Scrutiny Committee is asked to consider the content of Appendix A.

4 Reason for recommendations	
4.1	To ensure that members are appointed to Outside Bodies (scrutiny functions) for 2021/22.
