

ESC Environment Theme Delivery Programme																				
Type	Main ESC lead or supporting role	Project or BAU title	Completion Status	Lead Service Area FILTER to show service plan	Lead Team FILTER to show Team	Cabinet Portfolio	THEME FILTER to show primary Theme	Primary	Secondary	Tertiary	Quaternary	Quinary								
BAU	M	Air Quality statutory monitoring & reporting	ongoing	Environmental Services & Port Health	Environmental Protection	Community Health	T05 - Environment	P23	P08											
BAU	M	Air Quality Strategy	ongoing	Environmental Services & Port Health	Environmental Protection	Community Health	T05 - Environment	P23	P08											
BAU	M	Contaminated Land identification and assessment	ongoing	Environmental Services & Port Health	Environmental Protection	Community Health	T05 - Environment	P23	P08											
BAU	M	Contaminated Land Investigations (CL Regs)	ongoing	Environmental Services & Port Health	Environmental Protection	Community Health	T05 - Environment	P23	P08											
project	M	Contaminated Land Strategy	80% complete	Environmental Services & Port Health	Environmental Protection	Community Health	T05 - Environment	P23	P08											
BAU	M	Licensing, Inspection & Risk Assessment programme - Animal Activities	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08											
Project	M	Monitoring, Assessing and responding to Eleni V Oil	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08											
BAU	M	Non-Statutory Contaminated Land monitoring (SL)	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08											
BAU	M	Reactive work relating to any type of activity causing 'detriment 'to the	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08											
BAU	M	Regulation & assessment of PPC Prescribed Processes	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08											
BAU	M	Stratford AQMA - action plan actions	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08											
BAU	M	Waste Regulatory functions - Management & support of NORSE WMOs	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08											
project	M	Woodbridge AQMQ - revocation Application	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08											
Project	M	Oil on Gunton Beach		Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23												
BAU	M	Coastal Concordat	ongoing	Planning and Coastal Management	Development Management	Planning and Coastal Management	T05 - Environment	P20												
BAU	M	Cross boundary engagement	ongoing	Planning and Coastal Management	Development Management	Planning and Coastal Management	T05 - Environment	P20												
Project	M	EV pool vehicles	ongoing	Environmental Services & Port Health	Port Health	The Environment	T05 - Environment	P20												

Project	M	Former Deben High School	30% complete	Housing	Housing Development	Housing	T05 - Environment	P20	P08	P23		
Project	M	Meadow Gardens	ongoing	Housing	Housing Development	Housing	T05 - Environment	P20	P21	P22	P23	
BAU	M	Formulating and introducing policies to restrict the age of vehicles we licence to	ongoing	Legal & Democratic Services	Licensing Services	Environment	T05 - Environment	P20				
Project	M	Collective Greenprint lobbying	25% complete	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P20				
Project	M	Fireworks policy	50% complete	Environmental Services & Port Health	Environmental Sustainability	Community Health	T05 - Environment	P20	P23	P08		
BAU	M	Greenprint Forum membership management	ongoing	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P20				
BAU	M	Greenprint Forum Steering Group meetings	ongoing	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P20				
Project	M	Internal travel review	On hold	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P20	P11	P16	P15	
Project	M	Implement charity bra banks across ESC sites	On hold	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P21				
Project	M	Quiet Lanes Suffolk	40% complete	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P23	P08	P09		
BAU	M	Greenprint Forum newsletter	ongoing	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P23				
BAU	M	Greenprint social media channels	ongoing	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P23				
BAU	M	Staff environmental volunteering	intention to resume autumn 2021	Environmental Services & Port Health	Environmental Sustainability	Community Health	T05 - Environment	P23	P09	P08		
Project	M	Nature First small grant scheme	investigating	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P23	P07			
Project	M	Other public events	On hold	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P23	P09			
Project	M	Plastic Action	90% complete	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P23	P09	P21		
Project	M	Public Greenprint Forum event planning & delivery	25% complete	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P23				
BAU	M	Environment Task Group	ongoing	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P20				
Project	M	Suffolk Climate Emergency Plan	ongoing	Environmental Services & Port Health	Environmental Sustainability	Deputy Leader & Economic Development	T05 - Environment	P20	P01	P23	P05	P07
BAU	M	Suffolk Climate Change Partnership workstreams	ongoing	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P22	P13	P11		
Project	M	Complete the review of key County Wildlife Sites (CWSs) across East Suffolk	90% complete	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P20	P23			

Project	M	Biodiversity Net Gain	Ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P20	P03				
Project	M	Ecological Networks across Suffolk	Investigating	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P20	P23	P03			
BAU	M	Provision of ecology advice on planning policy	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P23					
Project	M	Improvements to Sustainability of Assets - reducing carbon emissions	investigating	Operations	Asset Management	Customer Services and Operational Partnerships	T05 - Environment	P22					
Project	M	Review Waste Strategy in line with RAWs	investigating	Operations	Contract Management	Customer Services and Operational Partnerships	T05 - Environment	P21					
Project	M	Low emissions Fleet	50% complete	Operations	Contract Management	Customer Services and Operational Partnerships	T05 - Environment	P20					
Project	M	Develop in-house waste expertise		Operations	Contract Management	Customer Services and Operational Partnerships	T05 - Environment	P21					
Project	M	Woods Meadow Country Park, Oulton	30% complete	SMT	SMT Projects	Environment	T05 - Environment	P20	P23				
Project	M	Woods Meadow Country Park, Oulton	100% complete	SMT	SMT Projects	Environment	T05 - Environment	P20					
project	M	Woods Meadow Country Park, Oulton	20% complete	SMT	SMT Projects	Environment	T05 - Environment	P20					
Project	M	Biodiversity Net Gain (BNG)	20% complete	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P23					
Project	M	Review and input into DCO and associated process for Sizewell C	ongoing	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P23					
BAU	M	Respond to government and industry consultations on coastal erosion, flooding	ongoing	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P23					
BAU	M	Local knowledge influences national policy	ongoing	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P23					
BAU	M	Strategic and policy direction reflects national strategies and policies	ongoing	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P23					
BAU	M	Implementation of the Waveney Green Infrastructure Strategy	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P20	P03				
Project	M	Prepare an East Suffolk Green Infrastructure Strategy	20% complete	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P20	P03				
BAU	M	Provision of landscape advice on planning policy	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P23					
BAU	M	Tree works applications	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P23	P03				
Project	M	Review TPOS in former Suffolk Coastal area	Not yet started	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P23	P03				
BAU	M	High Hedges	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P23	P03				

Project	M	Hydrogen Strategy	20% complete	Economic Dev & Regen	Economic Development	Deputy Leader & Economic Development	T05 - Environment	P22	P20	P03		
Project	M	Review of Historic Parks and Gardens Local List	80% Complete	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P23	P03			
Project	M	Sustainable Construction Supplementary Planning Document	Complete 2022/23	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P20	P22	P21	P23	
Project	M	Shoreline Management Plan policy, document and governance management	ongoing	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P23				
project	M	Supporting local communities to adapt and thrive in the face of a changing climate.	5% complete	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P23				
BAU	M	Support coast and estuary partnerships and the Suffolk Coastal Forum	ongoing	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P23				
BAU	M	Operate and manage a resilience approach to manage Lowestoft's flood risk.	ongoing	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P23				
Project	M	Managing East Suffolk Land for sustainability	Complete	Operations	Contract Management	Customer Services and Operational Partnerships	T05 - Environment	P20	P10			
Project	M	Improve management Garden Waste service	ongoing	Operations	Contract Management	Customer Services and Operational Partnerships	T05 - Environment	P21				
Project	M	Improving quality of Street Cleansing	not yet started	Operations	Contract Management	Customer Services and Operational Partnerships	T05 - Environment	P23	P07	P09		
Project	M	Delivering a sustainable HRA portfolio	Investigating	Housing	Housing Development	Housing	T05 - Environment	P20	P23	P08		
Project	M	Beech Close - Retrofit	Investigating	Housing	Housing Development / Housing Maintenance	Housing	T05 - Environment	P20	P23			
project	M	Orchard Green - Retrofit	Investigating	Housing	Housing Development / Housing Maintenance	Housing	T05 - Environment	P20	P23			
BAU	M	Reduction of CO2 emissions	ongoing	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P20				
BAU	M	Delivery of integrated coastal management approaches	ongoing	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P23				
project	M	Biodiversity and recovery strategy	Not Yet Started			Environment	T05 - Environment	P20				
Project	M	Members Green Training	10% complete	Environmental Services & Port Health	Environmental Sustainability	The Environment	T05 - Environment	P21	P20	P23	P07	P08
BAU	M	Street-Scene enforcement - Management of NORSE WMOs	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08			
Project	M	RAWS preparedness - improving the performance of waste collection	ongoing	Operations	Contract Management	Customer Services and Operational Partnerships	T05 - Environment	P21				
Project	M	RAWS preparedness - introducing a separate Food Waste collection		Operations	Contract Management	Customer Services and Operational Partnerships	T05 - Environment	P21				
Project	M	RAWS preparedness - introducing a separate Glass collection		Operations	Contract Management	Customer Services and Operational Partnerships	T05 - Environment	P21				

Project	M	Nationally Significant Energy Projects (offshore wind, new nuclear and	ongoing	Planning and Coastal Management	Programme and Partnership	Planning and Coastal Management	T05 - Environment	P22	P03	P05		
project	S	5 Estuaries wind NSIP Env Assessments	ongoing	Environmental Services & Port Health	Environmental Protection	Community Health	T05 - Environment	P22	P08			
project	S	Scottish Renewables Wind NSIP Env Assessments	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P22	P08			
project	S	Sizewell C nuclear NSIP - Env. Assessments	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P22	P08			
project	S	SPR wind NSIP Env. Assessments	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P22	P08			
BAU	S	Planning Apps - Contaminated Land screening	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08			
BAU	S	Planning Apps - Noise impacts screening	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08			
BAU	S	Planning Apps - Air Quality screening	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08			
BAU	S	Sizewell B - Facilities demolition/relocation	ongoing	Environmental Services & Port Health	Environmental Protection	The Environment	T05 - Environment	P23	P08			
Project	S	Sizewell C - Housing input	Not yet started	Housing	Housing Needs	Housing	T05 - Environment	P22	P03			
BAU	S	Provision of ecology advice on corporate initiatives and projects	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P20	P23			
BAU	S	Nationally Significant Infrastructure Projects - Ecologist support	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P22	P03			
BAU	S	Environment Task Group	ongoing	Legal & Democratic Services	Democratic Services	Leader	T05 - Environment	P20				
BAU	S	Ecology advice on planning applications and appeals	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P23	P03			
Project	S	Input into the offshore wind debate and consultations	ongoing	Planning and Coastal Management	Coastal management	Planning and Coastal Management	T05 - Environment	P22	P23			
Project	S	Coastal Protection/Lowestoft flood barrier	ongoing	Legal & Democratic Services	Legal Services	Community Health/Leader	T05 - Environment	P23				
Project	S	Offshore Windfarms	Complete 2022/23	Economic Dev & Regen	Programme and Partnership	Deputy Leader & Economic Development	T05 - Environment	P22	P03	P05		
BAU	S	Provision of landscape and arboricultural advice on corporate initiatives and projects	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P20	P23	P03		
BAU	S	Nationally Significant Infrastructure Projects - Landscape support	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P22	P03			
BAU	S	Landscape and arboricultural advice on planning applications and appeals	ongoing	Planning and Coastal Management	Planning Policy and Delivery Team	Planning and Coastal Management	T05 - Environment	P23	P03
