C/10/2632

Both refused due to adverse impact on landscape

Co6/1012

Recommendation

APPROVE subject to controlling conditions as detailed in the report and summarised below:

- **Standard time limit**
 - **Approved plan numbers compliance**
 - **Materials**
 - **No trees to be removed from the southern site boundary**
 - **Building to be used for storage purposes in association with maintenance of the land**
- 
- A teal-colored decorative shape, resembling a stylized hill or a large arrow pointing right, is located in the bottom right corner of the slide.
