

Item: 8

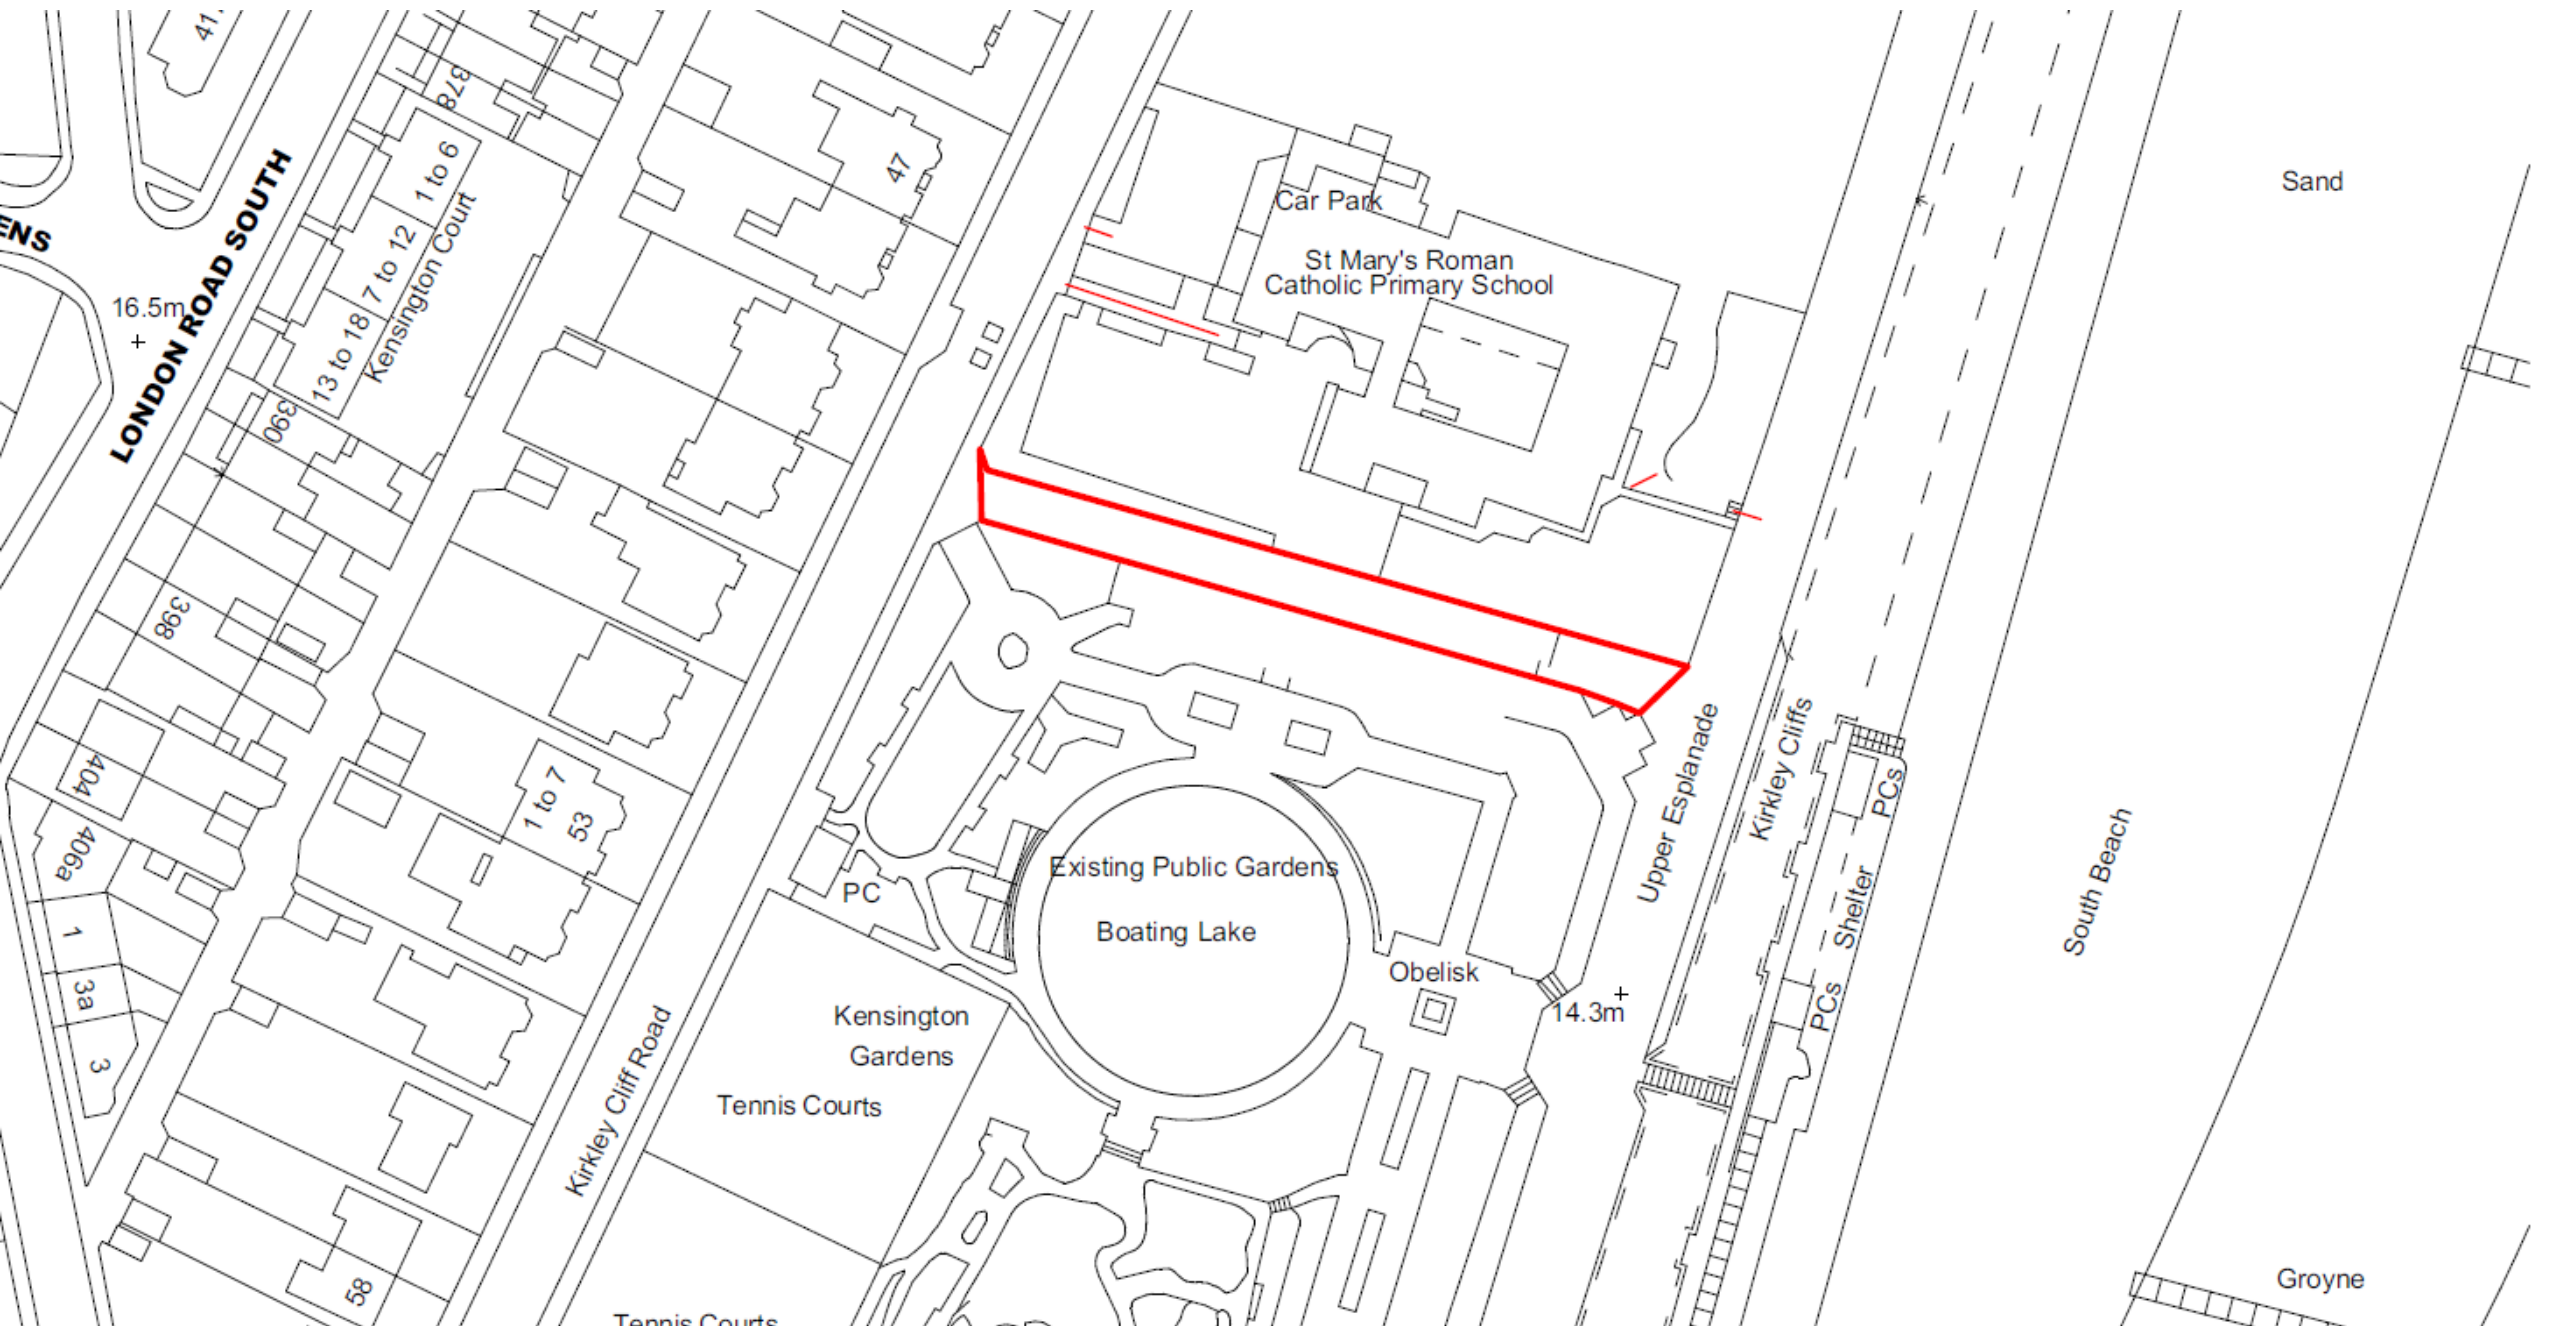

DC/20/3472/FUL

The proposal seeks to soft and hard landscape an area of the schools land in order to extend their current outside play areas, including a new 2.0m high weldmesh fencing along the boundary to Kensington Gardens. The proposed fence would be the same as the school currently have on the existing southern boundary of the play area.

St Marys Catholic Primary School, Kirkley Cliff Road, Lowestoft,
Suffolk, NR33 0DG
