Purpose and high-level overview

Purpose of Report:

Membership of the Committees and Sub-Committees of East Suffolk Council is determined under the terms of the Local Government (Committees and Political Groups) Regulations 1990. Those provisions require the Authority to review the representation of political groups and individuals on the Committees, Sub-Committees, and other appropriate bodies to ensure that the seats on Committees are allocated by Group Leaders in proportion to the political groups' membership of the Council.

Councillor Melissa Allen (Orwell and Villages Ward) resigned from East Suffolk Council with effect from 18 June 2021. A by-election for the vacant seat in this Ward was held on 12 August 2021 and Councillor Mick Richardson was elected.

Options:

None.

The Council needs to appoint to its Committees and Sub-Committees to carry out its business effectively. Appointment to these bodies gives Members an opportunity to carry out their community leadership role and enables cross party views to be given on specific issues which is healthy for democracy and good decision-making.

Recommendations:

- 1) That, with effect from 22 September 2021 seats on Committees and Sub-Committees of the Council be allocated in accordance with the nominations by Group Leaders indicated within Appendix A to this report.
- 2) That Councillor Elfrede Brambley-Crawshaw be replaced on Planning Committee North by Councillor David Beavan, with immediate effect.

Corporate Impact Assessment

Governance:

The Local Government & Housing Act 1989 requires that the overall political balance of the Council be reflected, where possible, in the appointment of Members to Committees and Sub-Committees of the Council (known informally as the political balance rules).

The appointment of Committees forms the democratic framework by which some Council decisions are made. Specific legislation applies to the regulatory committees that exercise quasi-judicial powers and separate legislation is in place for the Cabinet.

The appointment to Committees and Sub-Committees enables the work of the Council to be shared across all Council Members (where appropriate) and enables Councillors to undertake a range of duties that collectively underpin or deliver the democratic decision-making process within the Council.

ESC policies and strategies that directly apply to the proposal:

Decisions are implemented in accordance with the Council's Constitution and statutory legislation.

Environmental:

Not applicable.

Equalities and Diversity:

Appointments to Committees enable Members to carry out their community leadership role and in considering the issues before them, help build a stronger, healthier, and just society.

The decision to constitute and appoint to Committees will not in itself lead to the tackling of inequality, disadvantage, and discrimination (particularly for the most vulnerable), but it will provide the framework for those issues to be addressed when making decisions or reviewing policies / services.

Financial:

Councillors can claim expenses for attending Council meetings which will be met from within the Council's agreed Scheme of Members' Allowances. In addition, positions such as Chairmen of Committees are awarded a Special Responsibility Allowance recognising the additional responsibilities that these positions have.

Human Resources:

Not applicable

ICT:

Not applicable

Legal:

Membership of the Committees and Sub-Committees of East Suffolk Council is determined under the terms of the Local Government (Committees and Political Groups) Regulations 1990. Specific legislation applies to the regulatory committees that exercise quasi-judicial powers and separate legislation is in place for the Cabinet.

External Consultees:

External consultation is not required. The Leaders of the Political Groups were asked to nominate the members of the Council whom they wished to see occupy certain seats.

Appendix A to this report shows the nominations to seats.

How does this proposal support the priorities selected?			

Membership of Committees and Sub-Committees of East Suffolk Council is determined under the terms of the Local Government (Committees and Political Groups) Regulations 1990. The Regulations require that the total number of seats for each group equates to the number of places on each Committee to which political balance requirements apply.

Appointment to these bodies gives Members an opportunity to carry out their community leadership role and enables cross party views to be given on specific issues which is healthy for democracy and good decision-making.

Background and Justification for Recommendations

1 Background facts	
1.1	<p>Membership of Committees and Sub-Committees of East Suffolk Council is determined under the terms of the Local Government (Committees and Political Groups) Regulations 1990.</p> <p>Those provisions require the Council to review the representation of political groups and individuals on Committees, Sub-Committees, and other appropriate bodies in order to ensure that:</p> <ul style="list-style-type: none"> (1) No single political group has all seats on a Committee. (2) The majority of seats on a Committee is allocated to the majority political group. (3) The total number of seats on a Council's Committee is allocated in proportion to political groups' membership of the Council. (4) The seats on Committees are allocated in proportion to the political groups' membership of the Council.
1.2	<p>This report contains a recommendation on the allocation of seats on the Council's Committees and Sub-Committees. There are 55 seats, in total, on the Council.</p> <p>Councillor Melissa Allen (Orwell and Villages Ward) resigned from East Suffolk Council with effect from 18 June 2021. A by-election for the vacant seat in this Ward was held on 12 August 2021 and Councillor Mick Richardson was elected. The political balance as of September 2021 is shown in table 3.1, below.</p>

2 Current position	
2.1	<p>THE COUNCIL'S DEMOCRATIC STRUCTURE</p> <p><u>Cabinet</u></p>

The Full Council appointed the Leader of the Council for a four-year term of office at its Annual Meeting in May 2019 and the Leader then appoints the Cabinet.

The Cabinet (including the Deputy Leader) can be comprised of up to 10 Members and is exempt from the political proportionality rules under the Local Government Act 2000. It does not therefore form part of the Council's Committees.

Audit & Governance Committee

The Audit & Governance Committee is comprised of 9 Members and the political proportionality rules apply.

Members of the Cabinet are not able to sit on the Audit & Governance Committee.

Scrutiny Committee

The Scrutiny Committee is comprised of 13 Members and the political proportionality rules apply.

Scrutiny activity is undertaken by one Committee. The Committee will carry out detailed reviews, policy development and may call-in Cabinet decisions. It may appoint task and finish groups, which will be established for a specific purpose and be time bound. It may also undertake joint reviews or those involving the Council's partners.

Members of the Cabinet are not able to sit on the Scrutiny Committee.

Planning Committee (North)

The Planning Committee has 9 seats, which are allocated on a politically proportionate basis. This Committee considers planning applications which relate to the North of the District.

All Members and Substitute Members are required to have undertaken recent and relevant training on planning matters before they are able to serve on this Committee or instigate the Call-in process for planning applications.

All Members of the Planning Committee (North) also sit on the Strategic Planning Committee, along with the Members of the Planning Committee (South) and they provide high level, strategic direction regarding planning matters.

Planning Committee (South)

The Planning Committee has 9 seats, which are allocated on a politically proportionate basis. This Committee considers planning applications which relate to the South of the District.

All Members and Substitute Members are required to have undertaken recent and relevant training on planning matters before they are able to serve on this Committee or instigate the Call-in process for planning applications.

All Members of the Planning Committee (South) also sit on the Strategic Planning Committee, along with the Members of the Planning Committee (North) and they provide high level, strategic direction regarding planning matters.

Strategic Planning Committee

As the Strategic Planning Committee is made up of the Members of the North and South Planning Committees and the Cabinet Member who is the Portfolio Holder for Planning, the 18 seats on the Strategic Planning Committee have not been included in the total number of Committee seats, below.

Licensing

The Licensing Committee is comprised of 15 seats.

The size of the Committee reflects both the statutory licensing responsibilities and the need to appoint Members to the Licensing Sub-Committee (3 Members plus one Substitute) and to hear licensing appeals. All Members serving on the Licensing Committee are required to have received appropriate training before they undertake their role on the main Committee or serve on the Licensing Sub-Committee given its quasi-judicial nature.

Appointments Committee

The Appointments Committee has three seats (revised from 6 seats in report ES/0711 to Full Council on 24 March 2021).

The Committee must comprise the Leader (or Deputy Leader in their absence), the relevant Cabinet Member (or another Cabinet Member in their

	<p>absence), and one Member of the Opposition. It was agreed in March of this year that the one opposition seat would be shared between the Labour and GLI (Green, Liberal Democrat and Independent) groups, in the sense that the Leader of each of those groups would sit for alternating interviews.</p> <p>The Appointments Committee is politically balanced.</p> <p>The purpose of the Committee is to appoint the Heads of Service for the Council. The Committee can also consider the dismissal of the Head of Paid Service, the Monitoring Officer and the Chief Finance Officer.</p>
2.2	<p>The Regulations require that the total number of seats for each group equates to the number of places on each Committee to which political balance requirements apply. Upon declaration of the outcome of the Aldeburgh and Leiston by-election, the political balance of the Council was calculated, so that membership of each Committee reflected the overall political balance of the Council.</p> <p>Under the Council's current structure, there are 58 seats available on Committees to which the Regulations will apply:</p> <ul style="list-style-type: none"> • Audit and Governance Committee: 9 seats • Licensing Committee: 15 seats • Planning Committee (North): 9 seats • Planning Committee (South): 9 seats • Scrutiny Committee: 13 seats • Appointments Committee: 3 seats

3 How to address current situation

	Current (September 2021) number of Councillors - 55		39	7	9
	Distribution of the 58 committee placings		41	7.5	9.5
		Number of places	Con	Lab	GLI

	Audit and Gov	9	6	1	2	
	Licensing	15	11	2	2	
	Planning North	9	7	1	1	
	Planning South	9	6	1	2	
	Scrutiny	13	9	2	2

3.3	It is proposed that the allocation of Committee places to the different political groups remain unchanged, from the 28 July 2021 Full Council meeting.					
3.4	Democratic Services has been advised that Councillor Elfrede Brambley-Crawshaw (a Member of the GLI) wishes to stand down from the Planning North Committee. Her place on the Committee will be filled by Councillor David Beavan, from the GLI with immediate effect, from 22 September 2021.					

4 Reason for recommendations

4.1	To ensure that Members are appointed to Committees for the 2021/22 Municipal Year in accordance with the political proportionality rules and that decision-making is undertaken in a democratic way.
