Grant money had been spent on new utensils and portable induction hobs for workshops, and it was hoped that these workshops could be extended to include wider life skills.</p> <p>RSL asked that generations not be siloed into different workshops, as cross-generational workshops and meet ups would allow people to learn from each other.</p> <p>ACTION: JM and RSL to discuss a wider meet up event in the CP area for 2022.</p>

AT confirmed that it was not within East Suffolk Councils remit to make recommendations on speed, and that any comments on this would be passed on to SCC. AR asked that ESC speak with Councillor Alexander Nicoll on this issue.</p> <p>CR asked whether youth groups were a part of the consultation. AT responded that schools/youth groups had not been particularly targeted, but it was recognised that schools were important destinations. LB confirmed that there was an East Suffolk Young Peoples Priority Group who could be included in the consultation.</p>

	<p>JM asked if cycling routes beyond Wilford Bridge and on to the peninsula could be looked at, as this area was quite dangerous for cyclists at present but there was potential for a tourist route to Sutton Hoo.</p> <p>AP asked that cycle storage along the route also be considered.</p>
