1. Welcome to Waveney Valley Leisure Centre

External sign, size TBC

Material Planning Considerations and Key Issues

When considering advertisement consent applications, there are two material considerations:

- Amenity; and
- Public safety.

For the reasons set out in the report, officers consider the proposal acceptable, in respect of these matters, in accordance with policies WLP8.29 and WLP8.21 of the East Suffolk (Waveney) Local Plan.

Recommendation

Approve; subject to the standard advert conditions, as listed in the recommendation section of the report.
