## **1 INTRODUCTION**

- 1.1 Each year, the Council's External Auditors outline the results of their certification of the Council's housing benefit subsidy claim. The purpose of this report is to provide the Committee with the significant issues arising from Ernst and Young's work.

## **2 HOW DOES THIS RELATE TO THE EAST SUFFOLK BUSINESS PLAN?**

- 2.1 There is no direct link to the East Suffolk Business Plan, but the Secretary of State for Communities and Local Government delegated to the Public Sector Audit Appointments Ltd (PSAA) from 1<sup>st</sup> April 2015 the duty to make arrangements for the certification of relevant claims and returns and to prescribe scales of fees for this work. These arrangements required only the certification of the housing benefit subsidy claim.

## **3 FINANCIAL AND GOVERNANCE IMPLICATIONS**

- 3.1 Section One of the report details significant findings from Ernst and Young's work, which has resulted in a qualification letter being issued and the claim being amended.
- 3.2 The overall proposed audit fee for 2017/18 is £19,521, which represents an increase in audit fee of £3,981 compared to the indicative audit fee proposed for 2017/18 of £15,540. The 2017/18 audit fee was always going to increase above the indicative fee due to additional 40% testing during 2016/17 having to be retested automatically in 2017/18. The 2016/17 audit fee was £24,408 therefore the 2017/18 audit fee has reduced by £4,887 compared to last years errors identified.

## **4 OTHER KEY ISSUES**

- 4.1 Ernst and Young raised no recommendations this year, which is the fifth financial year running.
- 4.2 Section Three of the report details that the Council has appointed Ernst and Young to act as reporting accountant in relation to the housing benefit subsidy claim for 2018/19 now that the Public Sector Audit Appointment Ltd no longer appoints the auditor in this area or sets the fee.

## **5 CONSULTATION**

- 5.1 There have been ongoing updates during the financial year with the Audit team and key stakeholders.

## **6 OTHER OPTIONS CONSIDERED**

- 6.1 No other options have been considered.

## **7 REASON FOR RECOMMENDATION**

- 7.1 To provide the Committee with the results of Ernst and Young LLP's work on certifying the Council's claims and returns.
